

The Holy See

**MESSAGE OF THE HOLY FATHER
TO THE PARTICIPANTS IN THE “MEAL OF ENCOUNTER”
IN THE “SAINT JOHN PAUL II” CARITAS SOUP KITCHEN
IN VIA MARSALA, ROME**

Dear Brother and Dear Sisters,

With this message I wish to encourage you to continue your journey with migrants and refugees, and to share a meal with them, like the one organized here by *Caritas*.

As *Caritas*, you have accepted the invitation to start a global awareness initiative in support of migrants and refugees: it is the “Share the Journey” campaign, which we [inaugurated together last 27 September](#). Today, I would like to invite you all — migrants, refugees, *Caritas* workers and institutions — to identify the traits of this journey that have had the most impact on you: what hope inspires your path? Try to share this thought and to “celebrate” what we have in common.

Finally, I wish to encourage you members of *Caritas*, the community of faithful with its pastors, and all people of good will, to always create new spaces for sharing, so that a renewed fraternity with migrants and refugees may emerge from our encounters.

I heartily bless your soup kitchen, and I wish you a good lunch.

From the Vatican, 19 June 2018

Francis
