Good morning to you all!

Today the Lord wants us to feel ever more deeply his great mercy.

Let us never distance ourselves from Jesus! Even if we think that we are the least because of our sins and our failings, this is how he prefers us; this is how his mercy spreads. Let us seize the day that we may all receive the mercy of Jesus.

Let us pray together to the Mother of Mercy. Hail Mary...

[Blessing]

And, please, I ask you to pray for me.
